Iteration algo

Q.I

```
function pattern1(n:3number) {

for (let i = 4; i <= 3; i++) {

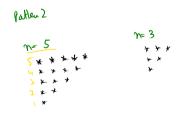

let s: string = "%p>

for (let j = 1; j <= i; j++) s += """;

console.log(s);
}
}

10 < 5 → False
10 >= 10

10 >= 10
```
